

STAY ACTIVE ON YOUR JOURNEY

WITH A NEW SET DEDICATED TO TRAVELLERS

Essential must-haves for your workout and exercise providing utmost comfort are the first choice when it comes to travelling the world. But we want more than that. Being light, easy and cool to take with you when you take off, that's our aim. We get you ready on your journey with our first Travel Active Kit. A pair of leggings, a shirt and socks featuring a contemporary design, made with smartest fabrics are wrapped up in a free wearable bag which is a gift. Easy wear, easy care and easy to take with you. Made for you to enjoy your journey to the fullest.

On duty, off duty... whatever you're up to, you can't go wrong with these styles. The fashionable design of each piece is made to be seen. Their high-quality materials will effortlessly take you from jogging through the park to your hotel's yoga class.

The leggings and the shirt are a skillful balance of tight and loose netting with an opaque sheer effect. Ultra soft and seamless they are the perfect fusion of comfort and style. Grab a cardigan to stay comfy and warm after your workout. Make it whatever you need. The cozy Velvet 66 socks accomplished with a clever anti-slip function are the perfect add-on to this super smart Travel Active Kit. All of the styles fit perfectly in the high quality bag which comes with the set as a free gift. Made of fine satin material with adjustable straps it easily adapts to your needs.

Get onboard and enjoy your everyday indulgence with perfect fit, maximum comfort and always a stunning look.

www.wolford.com

Founded in 1950, Wolford AG is headquartered in Bregenz, on Lake Constance. It operates 16 subsidiaries and markets its products in about 60 countries via around 267 monobrand boutiques (owned and partner operated) and through 16 online stores. Listed on the Vienna Stock Exchange since 1995, it generated 137,22 million Euro in sales in FY 2018/2019; with about 1,437 employees, Wolford is a leading global fashion brand for high-quality sustainable legwear, lingerie and bodywear. Wolford designs and manufactures its products exclusively in Europe (Austria and Slovenia), meeting the highest environmental standards in the textile industry as underscored by the ongoing partnership with bluesign Technologies AG.
