"PERFECT MATTE LIPS"

## EVER GLOW SKIN PRIMER / GLOWY PRE MAKE UP BASE

Prepare the skin and subtle glow complexion in one gesture! Instantly brighten your complexion for a fresh-looking and 'good-looking' look all year long.

Its fluid, aerial texture with pearlescent radiance facilitates its application. It also helps to prolong its long lasting effect for a radiant complexion throughout the day. Its formula diffuses the light, leaving the fresh skin smooth and radiant with beauty.

A rose-like shade for the fearest skins and a golden shade for darker complexions. With these two different shades of Ever Glow, all skin tones will find their match! Ever glow bases are perfect for all different shades of complexion.

A new gesture to adopt in your morning routine for a superb effect! Apply alone to brighten the complexion or as a pre-make up base on the entire face just before the foundation.

### PRO TIPS

Blend the Ever glow with your foundation for an even brighter glow

## ULTIMATE PRIMER / TINTED EYE SHADOW BASE

Launched to complete the HOW TO 2 palette, this fixing base will unify the eyelid and prepare it for the application of shadows. You won't have to worry about keeping your make up intact throughout the day, this ultimate base will keep everything in place.

Without doubts, the best fixing base there is and the first tinted base of the range. Embellished with micro nacres, this base unifies and illuminates the eyelid and the underside of the eyebrow for a bright and long-lasting make up.

Its universal shade matches all skin tones and its formula ensures a perfect hold of the shadow pigments, making them look brighter and last longer.

Its texture doesn't retract or dry out with time, the perfect product to keep for as long as we can!

### PRO TIPS

The perfect eyeshadow base to correct your make up and make your cut crease easily !

## WONDERLAND PALETTE / FALL MAKE UP

The Wonderland Eyeshadow Palette is THE palette of compact shadows composed of warm nude shades to take with you this fall-winter!

Made up of 6 shades with matte and metallic eye shadows, it gives dimensional brightness to all your make up in an instant. Get warm by mixing the hottest shades of the season to create a super hot & trendy look.

To keep it simple during the day, subtly sculpt your eyes with the three matte nudes of this palette. Spicy it up at night and dare to add the 3 metallic shades as well.

The micronized and unique formula of these eye shadows allow you obtain intense colors and guarantees a long-lasting application. The metallic effect can be multiplied when the shadows are applied with a wet brush. Thanks to its soft touch agents, it has never been so easy to work with such pigmented shadows!

Don't you loose sight of it and carry it everywhere with you!

### PRO TIPS

Use the ultimate tinted eye shadow primer to increase the intensity and long-lasting result of your make up.

## LIP CRUSH / LIQUID MATTE LIPSTICK

Two new shades join the Lip Crush gang!

The matte liquid lipstick and its intense and vibrant color is waterproof and transfer-free. Get ready to have a crush! You won't be able to do without...

Discover Raphael, a peach that will seduce nude addicts and Matt, the perfect brick red to sublimate your lips this season.

Because of its formula ultra saturated in pure matte pigments, the color fixes on the lips and guarantees an exceptional coverage. Without a risk of transfer, your LIP CRUSH will not migrate or smudge. Its ultra long lasting waterproof formula is a true incentive to kiss! A perfect mouth for hours.

It is extremely soft and comfortable and feels just like a second skin for your lips. Its smoothing and light formula offers a simple application and a perfectly homogeneous result for structured and defined lips. It brings the best and brightest colors all day long. Its soft foam applicator follows the contour of your lips to carefully draw them to perfection.

The LIP CRUSH, your new weapon for massive seduction!
