

## Beurer ILS 22 eco luggage scale: the perfect aid for holidays and business travel

**Ulm/Cannes, 17th September 2018 - Put an end to expensive excess luggage: the small, lightweight Beurer ILS 22 eco luggage scale is ready to weigh luggage or other objects at any time thanks to its operation without battery and with dynamo button. Beurer will be presenting the practical travel aid at the TFWA Cannes.**

**ILS 22 eco – handy, environmentally friendly and always ready for use**

The ILS 22 eco is activated by simply pressing the dynamo power button. A battery is not required. This is not only environmentally friendly and economical, but also practical as the product is ready for use at any time. The weight capacity is 50 kg and the weight is displayed in 10 g

increments on a display with a digit height of 11 mm. The weight unit can also be set to pounds. The luggage scale has an automatic hold function, an overload indicator and automatic switch-off. A belt with a length of 22.5 cm enables convenient weighing and also space-saving storage. The product dimensions are 17.3 x 2.8 x 3.5 cm and it weighs approx. 100 g.
