

LEGO® City Product News 2 Half Year 2018

This brand-new theme from LEGO City allows the kids to explore the pre-historic animals frozen in the ice of Arctic. The theme contains a wide variety of cool vehicles and functionality all relevant in the mission of extracting the animals from the ice. All LEGO City Arctic Expedition launch **June 1<sup>st</sup> 2018**.

### Arctic Mobile Exploration Base

Investigate awesome finds on the go with the LEGO® City 60195 Arctic Mobile Exploration Base! This set features a crane with posable arm, hook, platform and a trailer, plus a mobile lab unit with radar dish and opening door. The set also includes a mobile saw vehicle with posable arm and rotating blade, plus a snow bike and a large ice build to hold the mammoth. This Arctic Expedition set includes 6 LEGO explorer minifigures and a mammoth figure.

### Arctic Scout Truck

Explore the harsh terrain with the LEGO® City 60194 Arctic Scout Truck, with front tracks and 4 all-terrain wheels, antenna, lights, onboard analysis station, space for other equipment, and a loading bay for the snow bike with moving track. This fun set also includes an ice wall/arch with translucent blocks and sonar beacons, coring tool, plus an ice cave with translucent blocks and room for the polar bear figure. This LEGO City Arctic Expedition set also includes 3 LEGO explorer minifigures and a dog figure.

### Arctic Air Transport

Carry precious items with the LEGO® City 60193 Arctic Air Transport, featuring a heavy-duty quadcopter with 4 spinning rotors, ski landing gear, opening minifigure cockpit and a functioning winch with rope and hook. This fun Arctic Expedition set also includes an ATV with 2 pick axes, saw, translucent-blue ice block with hook latch, opening side and 'frozen' saber-toothed tiger figure, plus 2 LEGO explorer minifigures.

### Arctic Ice Crawler

Recover incredible things with the LEGO® City 60192 Arctic Ice Crawler, featuring an opening minifigure cockpit, posable legs and an articulated arm with opening claw gripper, plus an ice block with removable translucent-blue section and rodent figure, a mug and a saw. This Arctic Expedition set includes a LEGO explorer minifigure.

### Arctic Exploration Team

Discover incredible things with the LEGO® City 60191 Arctic Exploration Team set! This LEGO City Arctic Expedition set features a snowmobile with trailer hitch, trailer and storage box, plus an ice block element holding an insect encased in ice, saw, camera and a pair of snowshoes. Includes 3 LEGO minifigures and a LEGO husky dog figure.

## Arctic Ice Glider

Discover incredible things with the LEGO® City 60190 Arctic Ice Glider set, featuring an ice glider with opening cockpit and spinning fan rotor, plus 2 remote tracker beacons, a decorated computer pad, radio, saw and a pair of snowshoes. This cool Arctic Expedition set includes a LEGO minifigure.
